

Remarks

The various parts of the Office Action (and other matters, if any) are discussed below under appropriate headings.

Claim Rejections - 35 USC § 101

Claims 1-3, 6-11 and 14-15 were rejected under 35 USC § 101 as being directed to non-statutory subject matter. While it is respectfully submitted that the rejected claims do recite statutory subject matter, in the interest of advancing prosecution, independent claim 1 has been amended to recite "displaying the optimal positioning for the stimulator," and claim 15 has been amended to recite "stimulating the hyper/hypometabolic cortical areas of the patient." Therefore, the rejections should be withdrawn.

Conclusion

In view of the foregoing, request is made for timely issuance of a notice of allowance.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
